

Pursuant to Resolution No. 2019.47, the City Council approved annual fee adjustments based on the annual United States Department of Labor, Bureau of Labor Statistics Consumer Price Index-All Urban Consumers, West Region. Such fees will be adjusted each July 1.

This resolution will also establish a perpetual, automatic annual fee adjustment at the beginning of each fiscal year based on a published Consumer Price Index (CPI) provided through the City of Tempe's Municipal Budget Office.

Consumer Price Index (CPI) provided through the City of Tempe's Municipal Budget Office is 7.1%. Please update the City of Tempe, Arizona - City Code - Appendix A - Schedule of fees and charges fire prevention and protection to reflect the following text in green by July 1st 2022.

CONSTRUCTION PERMIT FEES

Construction permit fees listed below are based on a labor rate of ~~\$75.12~~ **\$80.45** per hour. The base time for plan review and inspections during normal business hours are indicated with each permit type. Additional time to complete the plan review or inspection will be assessed at the hourly rate. Additional system features will be added to the base fee. Fees will be cumulative.

OPERATIONAL PERMIT FEES

Operational permit fees listed below are based on a labor rate of ~~\$75.12~~ **\$80.45** per hour. The base time for plan review and inspections during normal business hours are indicated with each permit type. Additional time to complete the plan review or inspection will be assessed at the hourly rate. Where more than one permit is required for the same location, the fire code official is authorized to consolidate such permits into a single permit provided that each provision is listed in the permit.
