**EXHIBIT "A"****Sec. A8.017 - Charge for collection of garbage and trash**

- (a) *Residential service.* It shall be the duty of all residential customers to subscribe to a commercial garbage collection service which is licensed by the city. The city council may authorize an individual to dispose of his own garbage and trash where hardship is shown. The city manager shall cause an investigation to be made of the circumstances surrounding any application for exception and shall report to the city council on the results of his investigation. A list of such exempt persons shall be kept and given to any city garbage company monthly. The city council may revoke said exemption at any time.

- (b) *Commercial service.* It shall be the duty of all commercial customers to subscribe to a commercial garbage collection service which is licensed by the city. Those commercial customers that generate special types of garbage that are not covered by an exclusive contract entered into by the city shall be allowed to use any other garbage collection service duly permitted by the city.

- (1) *Exception.* Notwithstanding the foregoing, a commercial, institutional or industrial business may, by obtaining a permit from the sanitation inspector, haul its own garbage, trash and debris provided it uses its own employees and vehicles for hauling, and those vehicles conform to the requirements of vehicles used by licensed collectors as set forth in article 11.04 of the Code of Ordinances; provided, however, no business engaged in food handling, such as a restaurant, quick food or take-out food business, may haul its own garbage but must subscribe to a licensed hauler to insure the orderly and regular removal of rapidly deteriorating garbage.
- (2) *Nonresidential service charges.*
