RESIDENTIAL PERMIT PARKING POLICY & PERMIT PARKING TAG APPLICATION

The purpose of this policy is to provide a uniform approach to the consideration of requests for the designation of residential permit parking zones on City streets and to establish the rules and regulations regarding residential permit parking zones and the use of permit parking tags.

The following will be taken into consideration when reviewing the request for the establishment of a residential permit parking zone:

- A. The requested residential parking is adjacent to a non-residential use that is utilizing on-street parking spaces to meet the required parking needed for the development.
- B. The available off-street parking for the requesting residential property is two (2) spaces or less.
- C. The time of day for the parking demand of the non-residential use coincides with the parking need for the requesting residential property.

Rules and regulations for residential permit parking zones and the use of permit parking tags:

- 1. Permit parking tags shall be obtained at Marysville City Hall, 209 S. Main St., during regular business hours.
- 2. Persons eligible to obtain permit parking tags shall be legal residents adjacent to a residential permit parking zone as established by street signage.
- 3. One (1) tag will be provided per residential unit adjacent to the zone. Each resident is responsible for the numbered tag issued to them.
- 4. Permit parking tags shall be displayed on the inside rearview mirror of the motor vehicle. Any vehicle parked in a residential permit parking zone and not displaying the permit parking tag in the correct location will be ticketed.
- 5. Proof of residency shall be provided at the time of application; proof shall consist of one of the following: motor vehicle registration, operator's license, rent receipt, mortgage payment or other documentation indicating the applicable street address is the applicant's primary residence.
- 6. Permit tags shall remain the property of the City of Marysville.
- 7. When any person ceases to reside in the residential permit parking zone, the issued tag must be returned to the City of Marysville.
- 8. A lost or stolen permit parking tag will be replaced upon re-application and payment of a \$2.00 replacement fee.
- 9. Permit parking tags are intended for use by Marysville Residents only.

There is no fee for submitting this application. Copies of approved or rejected applications will be returned to the applicant by mail or email within five (5) business days of receipt.
