AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF HAWAIIAN GARDENS AMENDING THE HAWAIIAN GARDENS MUNICIPAL CODE SECTION 2.08.010 TO PROVIDE A SALARY ADJUSTMENT FOR MEMBERS OF THE CITY COUNCIL OF THE CITY OF HAWAIIAN GARDENS AND REPEALING ORDINANCE NO. 455.

DATE: June 6, 2001

SUMMARY

The California Government Code 36516(a)(1) provides for compensation to be awarded to City Council Members based on the population of the City and as established by ordinance. California Government Code 36516(c) provides for an annual increase not to exceed an amount equal to five percent (5%) for each calendar year from the operative date of the last City Council salary adjustment.

Because the last salary rate was adopted in 1992, for the purpose of calculating a salary increase, the first calendar year is 1992. On April 11, 2000, the City Council adopted Ordinance No. 455, which established Council salary adjustments for eight calendar years since the last City Council salary increase. The salary adjustment should have been for a period of nine (9) calendar years (1992-2001), rather than eight calendar years. Therefore, nine (9) calendar years have elapsed since the last City Council salary increase. The maximum salary amount that can be legally adopted at this time is equal to the current salary plus the current salary increased by five percent (5%) each year for nine (9) years. This compound method was used to establish the current salary adopted in Ordinance No. 369. The new monthly compensation for City Council Members will be \$593.87.

California Government Code 36516.5 provides for compensation adjustments for all Members of the City Council serving staggered terms when a new term of office occurs in March 2003. If this Ordinance is approved, the monthly compensation for City Council Members will be \$654.74, effective March 2003, at the next General Municipal Election.

RECOMMENDATION

Staff recommends that the City Council waive further reading and approve Ordinance No. 466.

At the expense of the contractor, the contractor may direct the investment of the payments into securities and the contractor shall receive the interest earned on the investment upon the same terms provided for in Section 22300 of the Public Contract Code for securities deposited by the contractor. Upon satisfactory completion of the contract, the contractor shall receive from the escrow agent all securities, interest, and payments received by the escrow agent from the City of Cerritos pursuant to Section 22300 of the Public Contract Code.

The contractor shall be the beneficial owner of any securities substituted for moneys withheld and shall receive any interest thereon.

Any contractor who elects to receive interest on moneys withheld in retention by the City of Cerritos shall, at the request of any subcontractor performing more than five percent of the contractor's total bid, make that option available to the subcontractor regarding any moneys withheld in retention by the contractor from the subcontractor. If the contractor elects to receive interest on any moneys withheld in retention by the City of Cerritos, then the subcontractor shall receive the identical rate of interest received by the contractor on any retention moneys withheld from the subcontractor by the contractor, less any actual prorata costs associated with administering and calculating that interest. In the event that the interest rate is a fluctuating rate, the rate for the subcontractor shall be determined by calculating the interest rate paid during the time that retentions were withheld from the subcontractor. If the contractor elects to substitute securities in lieu of retention, then, by mutual consent of the contractor and subcontractor, the subcontractor may substitute securities in exchange for the release of moneys held in retention by the contractor.

The contractor shall pay each subcontractor, not later than seven days after receipt of escrow moneys, the amount owed to each subcontractor from the moneys plus the respective amount of interest earned, net of costs attributed to the retention held from each subcontractor, on the amount of retention withheld to insure performance of the subcontractor.

Requests for substitution of retentions or payment of retentions earned to an escrow agent must be made in writing and delivered to the City Engineer prior to the issuance of a notice to proceed and are subject to the approval of the City of Cerritos.

The amount of retention shall remain at ten percent (10%) for the entire duration of the contract and reduction in retention percentage will not be allowed. Payment of the retention shall be governed by Section 7107 of the Public Contract Code.

The City of Cerritos reserves the right to reject any and all bids, or portions of any and all bids, or waive any informality or irregularity in a bid to the extent allowed by law.

Bids are required for the entire work described herein.

By order of the City of Cerritos.
