

## ORDINANCE NO. 1678

AN ORDINANCE OF THE CITY OF MONTROSE, COLORADO, AMENDING WATER AND SEWER REGULATIONS AND RATES TO ESTABLISH PROVISIONS FOR INDIVIDUAL PUMPED SEWAGE SERVICE SYSTEMS.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MONTROSE, COLORADO, as follows:

### **SECTION 1:**

Subsection 3-5-4(B) of the Official Code of the City of Montrose, Colorado, is amended to read as follows:

- 3-5-4(B)(1): The City shall provide, at City expense, all water meters one inch (1") size or smaller along with a remote reading device, yoke and a pit if required. Such yokes, pits, meters and remote readers will be installed by the builder or customer at his expense. The location of all meters and remote reading devices must be approved by the City prior to installation. No occupancy permit shall be issued by the City for any building requiring water service until a meter and remote reading device, if required, has been installed, inspected and approved in accordance with these provisions. The City will own and maintain all meters one inch (1") in size or less after installation along with the remote reading devices.
- (2) The customer of property authorized to utilize an individual pumped sewage service system such as a pump grinder or the E-1 pump system, shall be responsible for the cost of the initial pump installation along with its vault and appurtenances. Such pumps must be of a type approved by the City and installation shall be in accordance with City standards and specifications. The City may require that developers of subdivisions approved for such pump systems, to install vaults and appurtenances for the pumps and connect the piping to the City main as part of the installation of the sewage collection system. Following City approval of proper installation of the connection, vault and pump, the City will own and maintain the vault, appurtenances therein, the pump and line between the pump and main City, thereafter.

### **SECTION 2:**
