

ORDINANCE NO. 2020-005

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CHINO, CALIFORNIA, AMENDING SECTION 10.44.020 (COMMERCIAL VEHICLE/TRUCK DESIGNATED TRUCK ROUTES) OF THE CHINO MUNICIPAL CODE.

WHEREAS, on February 3, 2020, City staff of the City of Chino (the "Applicant") requested consideration of updating truck routes within the City of Chino to the Planning Commission; and

WHEREAS, on July 6, 2010, the City Council adopted the Chino Envision 2025 General Plan; and

WHEREAS, the General Plan Circulation Element contains a thorough discussion of the street segments that are designated as truck routes, whose purpose is to provide truck connectivity to businesses requiring truck traffic while reducing truck traffic impacts near residential neighborhoods and other sensitive land uses like parks and schools; and

WHEREAS, in compliance with the California Environmental Quality Act (CEQA), Initial Study/Negative Declaration Truck Route Update, dated January 9, 2020, has been prepared by staff that concludes the proposed project will not have a significant adverse effect on the environment. Potentially significant effects were identified, and mitigation measures have been incorporated to ensure the effects remain at less than significant levels. The Negative Declaration (ND) satisfies the requirements of CEQA and the CEQA Guidelines (California Public Resources Code, Section 21000 et seq.; 14 CCR 15000 et seq.); and

WHEREAS, the General Plan established truck routes on both existing streets and on future streets that have not been built yet; and

WHEREAS, in March 2003, the City Council adopted The Preserve Specific Plan (PSP); and

WHEREAS, in December 1990, the City Council adopted the Eucalyptus Business Park Specific Plan (EBPSP); and

WHEREAS, a General Plan Amendment (PL19-0096), an amendment to The PSP (PL19-0097) and an amendment to the EBPSP (PL19-0098) are being processed concurrently to amend the truck routes making each document consistent with each other and the proposed changes herein; and

WHEREAS, California Vehicle Code (CVC) 35701 gives cities the authority, by ordinance, to prohibit the use of a street by any commercial vehicle or by any vehicle exceeding a maximum gross weight; and

WHEREAS, the proposed changes to the City of Chino truck routes complies with CVC 35701; and

WHEREAS, new street segments have been or are nearing completion that provide reasonable alternative truck routes for the routes; and

WHEREAS, this Chino Municipal Code (10.44.020) designates truck routes on existing streets, consistent with the goals and policies of the General Plan.

NOW THEREFORE, the City Council of the City of Chino does hereby ordain as follows:

A. The foregoing recitals are true and correct and incorporated herein.

B. Based on substantial evidence, both written and oral, from the public hearing, the City Council makes the following findings and takes the following:

Section 2: The City Council finds that this Ordinance is within the scope of the Envision Chino 2025 General Plan Program Environmental Impact Report (EIR), which adequately describes the activity for the purposes of the California Environmental Quality Act, based upon the following findings:

- A. There are no substantial changes proposed in the project which require major revisions to the EIR, due to either new significant environmental effects or a substantial increase in the severity of previously identified significant effects;
- B. No substantial changes are occurring with respect to the circumstances under which the project is being undertaken which require major revisions to the

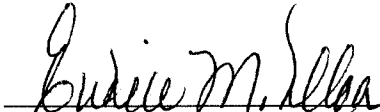

EIR, due to either new significant environmental effects or a substantial increase in the severity of previously identified significant effects; and

C. There is no new information of substantial importance that would show the project to have any significant effects not discussed in the previous EIR, previously examined significant effects will not be substantially more severe, no mitigation measures found to be infeasible would be rendered feasible to reduce significant effects of the project, and mitigation measures or alternatives considerably different from those analyzed in the previous EIR would not substantially reduce one or more significant effects on the environment from the project.

Section 3. Severability. If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional and invalid, such decision shall not affect the validity of the remaining portion of this Ordinance. The City Council hereby declares that it would have passed this Ordinance and every section, subsection, sentence, clause or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared unconstitutional or invalid.

Section 4. Certification. The City Clerk of the City of Chino shall certify to the passage and adoption of this Ordinance and shall cause the same to be published in a newspaper of general circulation printed and published within the City in accordance with the provisions of the Government Code.

ADOPTED THIS 17TH DAY OF MARCH 2020.
