

ORDINANCE NO. 4884

BOARD OF SUPERVISORS, COUNTY OF SAN MATEO, STATE OF CALIFORNIA

* * * * *

AN ORDINANCE REPEALING CHAPTER 4.105 OF THE SAN MATEO COUNTY ORDINANCE CODE REGULATING THE RECYCLING AND DIVERSION OF DEBRIS FROM CONSTRUCTION AND DEMOLITION TO ELIMINATE REDUNDANCY FROM THE BUILDING REGULATIONS

The Board of Supervisors of the County of San Mateo, State of California,
ORDAINS as follows:

SECTION 1.

The Board of Supervisors finds and determines that:

- (a) On February 26, 2002, the Board adopted Ordinance No. 04099, which added Chapter 4.105 to the San Mateo County Ordinance Code, mandating the implementation of waste management plans for new building construction, remodels, and demolitions.
- (b) On December 13, 2016, the County updated the San Mateo County Building Regulations and incorporated a requirement for the submission and approval of a waste management plan into Division VII, Chapter 2, Article 10, Sections 9213-9217 of the Building Regulations.
- (c) Since Ordinance No. 04099 remained effective after this update, the waste management plan requirement currently exists in both the Ordinance Code and the Building Regulations.

(d) Repealing Ordinance No. 04099 will increase clarity and remove redundancy in the law by having all the requirements for new construction, remodels and demolition waste management plans located in the Building Regulations.

SECTION 2.

Chapter 4.105 of the San Mateo County Ordinance Code is hereby repealed in its entirety.

SECTION 3.

This ordinance shall take effect thirty (30) days after its adoption by the San Mateo County Board of Supervisors.
