- C. Permit. An applicant who wants to operate a mobile billboard on the public right-of-way shall apply for a permit on an application form as required by the director. The director shall issue no more than three permits to three applicants that comply with requirements of this section and any regulations adopted by the director pursuant to this section. The director shall not issue a permit to an applicant that does not comply with the requirements of this section or any regulations adopted by the director pursuant to this section. An applicant is not eligible to apply for a permit for one year following a revocation of a permit under this section. Unless terminated earlier as provided under this section, all permits issued under this section expire one (1) year from date of permit issuance. A permit may be renewed by submitting updated documents and providing payment of the annual fee, in accordance with the approved Special Privilege Development Agreement. An applicant shall apply for renewal at least sixty days before the expiration of the registration. No permit shall be issued to an applicant owing ad valorem taxes to the city or who has defaulted on an agreement with the city within five years preceding the application for a permit under this section. Notwithstanding anything to the contrary, a permit may only be issued to an applicant who owns the mobile billboard for which the permit is requested. All application forms and documents under this section must be executed by the owner of the mobile billboard. Nothing in the section prohibits city council from amending this section to change the expiration date of all permits.
