AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CALABASAS, CALIFORNIA, AMENDING AND RESTATING CHAPTER 8.24 – PARK REGULATIONS OF THE CALABASAS MUNICIPAL CODE TO CENTRALIZE AND CODIFY CITY RULES CONCERNING THE USE OF CITY PARKS

WHEREAS, the City of Calabasas (the “City”), under the police powers delegated to it by the California Constitution, has the authority to enact laws that promote the public health, safety and general welfare of its residents; and

WHEREAS, the City Council acknowledges its authority and the imperative to respond when circumstances arise that could pose risks to the public health, safety, welfare, and convenience of its residents; and

WHEREAS, the City Council has concluded that regulating the public parks within the City is essential to uphold the overall health, safety, welfare of its residents; and

WHEREAS, it is the intent of the City to centralize and codify its rules concerning the use of its City parks; and

WHEREAS, the City Council desires to protect the public health, safety, general welfare, and quiet enjoyment of property in the City by the adoption of this ordinance.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CALABASAS, CALIFORNIA, DOES ORDAIN AS FOLLOWS:

SECTION 1. The City Council finds that all the facts, findings, and conclusions set forth above in this Ordinance are true and correct.

SECTION 2. Environmental Determination. The City Council hereby finds and determines that it can be seen with certainty that there is no possibility that the adoption of this ordinance to regulate its public parks and centralize and codify its rules concerning its parks will have a significant effect on the environment. Accordingly, under the provisions of § 15061(b)(3) and § 15378(b)(5) of Division 6 of Title 14 of the California Code of Regulations, the CEQA Guidelines, the adoption of this ordinance is not subject to the requirements of the California Environmental Quality Act.
