### **The Evelyn Cheatham Effective IOLERO Ordinance an Ordinance of the County of Sonoma, State of California, Repealing and Replacing Article XXVII, Independent Office of Law Enforcement Review and Outreach (IOLERO), Community Advisory Council (CAC), of Chapter 2, Administration, of the Sonoma County Code**

The People of the County of Sonoma do hereby ordain as follows:

Section 1. Article XXVII of Chapter 2 of the Sonoma County Code is hereby repealed in its entirety and replaced with the following:

#### **“Article XXVII. Independent Office of Law Enforcement Review and Outreach (IOLERO).**

Sec. 2-392. – Independent office of law enforcement review and outreach established.

- (a) County sheriffs lead agencies of law enforcement officers that are vested with extraordinary authority, and the powers to detain, search, arrest, and use deadly force. These officers are also responsible for the safety and welfare of the more than 75,000 incarcerated individuals in California’s jail system. Misuse of these authorities can lead to grave constitutional violations, harms to liberty and the inherent sanctity of human life, and significant public unrest.
- (b) While sheriffs are independently elected officials, boards of supervisors have the authority to supervise these officials and investigate the performance of their duties and have an obligation to ensure sheriffs and their departments uphold and respect people’s constitutional rights.
- (c) Meaningful independent oversight and monitoring of sheriffs’ departments increases government accountability and transparency, enhances public safety, and builds community trust in law enforcement. Such oversight must have the authority and independence necessary to conduct credible and thorough investigations.
- (d) The board of supervisors ("board") established the Independent Office of Law Enforcement Review and Outreach (hereinafter "IOLERO"), by Resolution on August 18, 2015, pursuant to its authority under California law, including Government Code sections 31000.1 and 25303, with the following mission:
  - 1) To provide an objective, independent and appropriate review and audit of law enforcement administrative investigations of employees, which may include allegations of misconduct, by the Sonoma County Office of the Sheriff-Coroner (hereinafter, "sheriff-coroner"); to provide an alternate site for members of the

- public to file complaints against employees of law enforcement agencies, including the sheriff's office;
- 2) To provide independent investigations of employees of the sheriff-coroner where an investigation by that office is found by IOLERO to be incomplete or deficient in some way;
  - 3) To propose thoughtful policy recommendations to the sheriff-coroner;
  - 4) To increase transparency of law enforcement operations, training, policies and procedures; and
  - 5) To conduct outreach to and engage the communities of Sonoma County so as to foster a culture of accountability and communication between the community and the sheriff-coroner while improving community relations and enhancing public confidence in policing and corrections services provided by the sheriff-coroner.
- (e) As part of the board of supervisor's duty to supervise the official conduct of the sheriff under state law, IOLERO was created by the board of supervisors. IOLERO is intended to promote the common interest of the board of supervisors and the sheriff in effective and lawful policing and corrections, and in complete, unbiased administrative investigations, and to facilitate the board of supervisors' supervisory responsibility without interfering with the sheriff's criminal investigative functions.

Sec. 2-393. – Appointment and qualifications of director and staff.

- (a) The director of IOLERO shall be appointed by the board of supervisors. The director shall be appointed for a term of 3 years, and shall be removed prior to that time only for cause and upon a vote of at least 4 out of 5 supervisors in favor of removal.
- (b) The director shall be an employee of the county of Sonoma. The terms and conditions of employment of the director shall be set by the board, consistent with this ordinance, and shall be specified in a personal services agreement.
- (c) The director shall be an attorney licensed to practice law and shall be qualified as a certified practitioner of oversight by the National Association for Civilian Oversight of Law Enforcement at the time of their employment, or within a reasonable time after hiring.
- (d) The director may assign personnel, as allocated by the board, and utilize equipment and supplies as necessary to perform IOLERO's duties. All personnel shall be employed by the county of Sonoma. The director also may contract with outside specialists for the provision of discrete services related to fulfilling IOLERO's missions, as needed.

Sec. 2-394. – Powers and duties of independent office of law enforcement review and outreach, and corresponding duties of the sheriff-coroner.

- (a) IOLERO, through its director, shall perform its powers and duties subject to all applicable statutory and constitutional requirements of confidentiality and privilege.
- (b) IOLERO's powers and duties shall include, consistent with existing law, the following which shall be exercised at the discretion of the director, subject to adequate staffing and resources to support them:
