- (c) Any period during which an Employee is entitled to disability benefits under this Plan, provided that the Employee returns to Employment within three (3) months of the date on which it is determined that the Employee is no longer Totally and Permanently Disabled if such determination occurs prior to the date a Participant attains Normal Retirement Age; and

Each Participant shall complete any necessary forms to authorize the payment of Participant contributions by way of payroll deduction.

The benefit shall be in an amount equal to the actuarial equivalent of the Participant's Accrued Benefit. The actuarial equivalent of the Participant's Accrued Benefit shall be determined by actuarially reducing the Accrued Benefit to reflect that it will commence on the Participant's Early Retirement Date rather than on the date which would have been the Participant's Normal Retirement Date if the Participant continued in Employment to such date. The actuarial assumptions reported in the last actuarial valuation report filed with the Public Employee Retirement Commission under the Act shall be the actuarial assumptions used to calculate the actuarial equivalent of the Participant's Accrued Benefit.

- 4.06 Payment of Benefits - Retirement benefit payments shall be made in the normal form which shall be payable as of the Participant's Retirement Date and the first day of each month thereafter during the Participant's lifetime. A Participant must complete an application for benefit in the manner prescribed by the Plan Administrator and deliver such application to the Plan Administrator at least thirty (30) days prior to the date on which benefit payments shall commence. The limitations described in this section 4.07 shall be governed by the following conditions and definitions:

- (b) in the case of a benefit which commences prior to the attainment of age sixty-two (62) by the Participant, the limitation herein shall be adjusted on an actuarially equivalent basis to the amount determined pursuant to this section commencing at age sixty-two (62); however, in the case of a qualified Participant (a Participant with respect to whom a period of at least fifteen (15) years of service, including applicable military service, as a full-time Employee of a police or fire department is taken into account in determining the amount of benefit), the limitation contained in this subsection 4.07(b) shall not apply;

- (c) in the case of a benefit which commences after attainment of age sixty-five (65) by the Participant, the limitation herein shall be adjusted on an actuarially equivalent basis to the amount determined herein commencing at age sixty-five (65);
- (d) benefits paid to a Participant which total less than ten thousand dollars (\$10,000.00) from all defined benefit plans maintained by the Employer expressed as an annual benefit shall be deemed not to exceed the limitation of this section provided that the Employer has not at any time maintained a defined contribution plan in which the Participant has participated;
- (e) in the case of a Participant with fewer than ten (10) years of service or participation, the limitation expressed in this section 4.07 shall be reduced by one-tenth (1/10) for each year of participation less than ten (10) with respect to Code section 415(b)(1)(A) or each year of service less than ten (10) years in the case of the limitation in subsection (d); but in no event shall this limitation be less than one-tenth (1/10) of the applicable limit;
- (f) the limitations expressed herein shall be based upon Plan Years for calculation purposes, shall be applied to all defined benefit plans maintained by the Employer as one (1) defined benefit plan and to all defined contribution plans maintained by the Employer as one (1) defined contribution plan, and shall be applied and interpreted consistent with Code section 415 and regulations thereunder as applicable to government plans in general and this Plan in particular; and
- (g) in the case of a Survivor Benefit under section 6.02 or a Disability Retirement Benefit under section 5.02, the adjustment under subsections (b) and (e) hereof shall not apply and the applicable limitation shall be the limitation contained herein without regard to the age or years of service or participation of the benefit recipient.
- (h) to the extent applicable, the Plan will comply with the provisions of Code Section 415(n) regarding the purchase of permissive service credits; and
- (i) effective for distributions with annuity starting dates beginning on or after December 31, 2008, notwithstanding any other Plan provisions to the contrary, the applicable mortality table used solely for purposes of adjusting any benefit or limitation under 415(b)(2)(B), (C), or (D) of the Internal Revenue Code as set forth in the applicable Maximum Benefit Limitations section of the Plan is the applicable mortality table under Code Section 417(e)(3)(B).
- (j) for mandatory employee contributions, the rules set forth in Treasury Regulation 1.415(b)-1(b)(2)(iii) shall apply; and

4.08 Required Distributions -

- (a) Notwithstanding any other provision of this Plan, the entire benefit of any Participant who becomes entitled to benefits prior to his death shall be distributed either:
 - (1) not later than the Required Beginning Date, or
 - (2) over a period beginning not later than the Required Beginning Date and extending over the life of such Participant or over the lives of such Participant and a designated Beneficiary (or over a period not extending beyond the life expectancy of such Participant, or the joint life expectancies of such Participant and a designated Beneficiary).

If a Participant who is entitled to benefits under this Plan dies prior to the date when his entire interest has been distributed to him after distribution of his benefits has begun in accordance with paragraph (2) above, the remaining portion of such benefit shall be distributed at least as rapidly as under the method of distribution being used under paragraph (2) as of the date of his death.

- (b) If a Participant who is entitled to benefits under this Plan dies before distribution of his benefit has begun, the entire interest of such Employee shall be distributed within five (5) years of the death of such Employee, unless the following sentence is applicable. If any portion of the Employee's interest is payable to (or for the benefit of) a designated Beneficiary, such portion shall be distributed over the life of such designated Beneficiary (or over a period not extending beyond the life expectancy of such Beneficiary), and such distributions begin not later than one (1) year after the date of the Employee's death or such later date as provided by regulations issued by the Secretary of the Treasury, then for purposes of the five-year rule set forth in the preceding sentence, the benefit payable to the Beneficiary shall be treated as distributed on the date on which such distributions begin. Provided, however, that notwithstanding the preceding sentence, if the designated Beneficiary is the surviving spouse of the Participant, then the date on which distributions are required to begin shall not be earlier than the date upon which the Employee would have attained age seventy and one-half (70½) and, further provided, if the surviving spouse dies before the distributions to such spouse begin, this subparagraph shall be applied as if the surviving spouse were the Employee.

- (c) For purposes of this section, the following definitions and procedures shall apply:
 - (1) "Required Beginning Date" shall mean April 1 of the calendar year following the later of the calendar year in which the Employee attains age seventy and one-half (70½), or the calendar year in which the Employee retires.
 - (2) The phrase "designated Beneficiary" shall mean any individual designated by the Employee under this Plan according to its rules.
 - (3) Any amount paid to a child shall be treated as if it had been paid to the surviving spouse if such amount will become payable to the surviving spouse upon such

child's reaching majority (or other designated event permitted under regulations issued by the Secretary of the Treasury).

- (4) For purposes of this section, the life expectancy of an Employee and/or the Employee's spouse (other than in the case of a life annuity) may be redetermined but not more frequently than annually.

(d) **General Rules.** The requirements of this section 4.08 will take precedence over any inconsistent provisions of the Plan. All distributions required under this section 4.08 will be determined and made in accordance with Section 401(a)(9) of the Internal Revenue Code and the Treasury regulations thereunder, and the Employer's good faith interpretation of such Code and Regulations.

- 4.09 Assignment - The pension benefit payments prescribed herein shall not be subject to attachment, execution, levy, garnishment or other legal process and shall be payable only to the Participant or designated Beneficiary and shall not be subject to assignment or transfer unless the subject of a domestic relations order mandated by a court of competent jurisdiction and approved by the Plan Administrator.
- 4.10 Limitation of Liability - Nothing contained herein shall obligate the Employer, the Plan Administrator, any fiduciary or any agent or representative of any of the foregoing, to provide any retirement or other benefit to any Participant or Beneficiary which cannot be provided from the assets available in the Pension Fund, whether such benefits are in pay status or otherwise payable under the terms of the Plan. The Council retains the right to amend or terminate this Plan consistent with applicable law at any time, with or without cause and whether or not such action directly or indirectly results in the suspension, reduction or termination of any benefit payable under the Plan or in pay status, and without liability to any person for any such action.
- 4.11 Personal Right of Participant - The right to receive any benefits under this Plan is a personal right of the Participant and shall expire upon the death of the Participant. No heir, legatee, devisee, Beneficiary, assignee or other person claiming by or through a Participant shall have any interest in any benefits hereunder unless clearly and expressly so provided by the terms of this Plan or the provisions of applicable law. A Participant's Election, failure to make an Election or revocation of an Election hereunder shall be final and binding on all persons.
- 4.12 Nonduplication of Benefit - To avoid any duplication of benefits, a Participant who is receiving a retirement benefit under the Plan and who shall resume Employment shall have benefit payments suspended until the first day of the month coincident with or next following the date such Employment shall cease. Upon resumption of benefit payments, such Participant shall receive the greater of the amount of the suspended benefit or the amount of benefit based upon Final Monthly Average Salary and Aggregate Service as of the date that such period of resumed Employment shall cease.
- 4.13 Direct Rollovers - Notwithstanding any provision of the Plan to the contrary that would otherwise limit a Distributee's Election hereunder, a Distributee may elect to have any portion of an Eligible Rollover Distribution that is in an amount equal to or greater than

five hundred dollars (\$500.00) paid directly to an Eligible Retirement Plan as specified by the Distributee in a Direct Rollover. Any such Election must be made at the time and in the manner prescribed by the Plan Administrator. The following definitions shall apply to this section:

- (a) "Distributee" includes an Employee or former Employee. In addition, the Employee's or former Employee's surviving spouse and the Employee's or former Employee's spouse or former spouse who is the alternate payee under a qualified domestic relations order, as defined in Code section 414(p), are distributees with regard to the interest of the spouse or former spouse.
- (b) "Eligible Retirement Plan" shall mean a qualified trust described in Code section 401(a), an individual retirement account described in Code section 408(a), an individual retirement annuity described in Code section 408(b), an annuity plan described in Code section 403(a), an annuity contract described in Code section 403(b), an eligible plan under Code section 457(b) that is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state that agrees to separately account for amounts transferred into such plan from this Plan.
- (c) "Eligible Rollover Distribution" shall mean any distribution of all or any portion of the balance to the credit of the Distributee, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the Distributee or the joint lives (or joint life expectancies) of the Distributee and the Distributee's designated Beneficiary, or for a specified period of ten (10) years or more; any distribution to the extent such distribution is required under Code section 401(a)(9); and the portion of any distribution that is not includable in gross income (determined without regard to the exclusion for net unrealized appreciation with respect to employer securities).

A portion of a distribution shall not fail to be an Eligible Rollover Distribution merely because the portion consists of after-tax Employee contributions that are not includable in gross income. However, such portion may be paid only to an individual retirement account or annuity described in Code section 408(a) or (b), or to a qualified defined contribution plan described in Code section 401(a) or 403(a) (effective for distributions on or after January 1, 2007, any qualified trust or Code Section 403(b) plan) that agrees to separately account for amounts so transferred, including separately accounting for the portion of such distribution that is includable in gross income and the portion of such distribution that is not so includable.

- (d) "Direct Rollover" is a payment by the Plan to the eligible retirement plan specified by the distributee.
- (e) Effective January 1, 2008, direct rollovers may be made to a Roth IRA described in Section 408A of the Internal Revenue Code to the extent that the applicable requirements of Code Section 408A are satisfied with respect to any direct rollover to such Roth IRA.

This section applies to distributions made on or after January 1, 2010. Notwithstanding any provision of the Plan to the contrary that would otherwise limit a Nonspouse Beneficiary's election under this section, a Nonspouse Beneficiary may elect to have a portion of a Plan distribution (that is payable to such Nonspouse Beneficiary due to a Participant's death) paid in a direct trustee-to-trustee transfer to an individual retirement account described in Code Section 408(a) or to an individual retirement annuity described in Section 408(b) (other than an endowment contract) that has been established for the purposes of receiving the distribution on behalf of such Nonspouse Beneficiary. For these purposes, a "Nonspouse Beneficiary" is an individual who is a designated beneficiary (as defined by Section 401(a)(9)(E) of the Internal Revenue Code) of a Participant and who is not surviving spouse of such Participant.

- 4.14 Retired Participants - Any Participant who shall have retired prior to the Restatement Date shall not have the benefit altered in any way by the provisions of this amended and restated Plan, except where otherwise expressly provided herein. Such retired Participants shall continue to have their benefits governed by the terms of the Plan in effect on the day preceding the Restatement Date.

ARTICLE V

DISABILITY RETIREMENT

- 5.01 Disability Retirement - A Participant who shall incur a Total and Permanent Disability shall be entitled to a Disability Retirement Benefit as of the Disability Date.
- 5.02 Disability Retirement Benefit - A Participant who shall be entitled to a Disability Retirement Benefit under section 5.01 shall receive a benefit in an amount equal to sixty-six percent (66%) of the Participant's Final Monthly Average Salary, however, this benefit shall be no less than fifty percent (50%) of the Member's Salary at the Time the Disability was Incurred (as defined pursuant to section 1.22). Disability Retirement Benefits shall be reduced by any social security disability payments received by the Participant for the same injury or illness.
- 5.03 Payment of Disability Benefits - Disability payments shall be made monthly as of the first day of each month, commencing as of the first day of the month coincident with or immediately following the Participant's Disability Date and continuing until the earliest of the death of the Participant, cessation of Total and Permanent Disability, or attainment of Normal Retirement Age (such a Participant upon attainment of Normal Retirement Age shall thereafter receive a Normal Retirement Benefit under the terms of the Plan, calculated pursuant to section 4.02, but subject to the minimum benefit prescribed in section 5.02).

A Participant who shall fail to return within three (3) months to Employment as an Employee of the Employer upon cessation of Total and Permanent Disability prior to attainment of Normal Retirement Age shall be deemed to have terminated Employment as of the Disability Date, and shall not be entitled to any distribution of Accumulated Contributions pursuant to section 7.02 to the extent that the total amount of disability

payments exceeds the value of the Participant's Accumulated Contributions as of the Disability Date.

- 5.04 Verification of Disability - The Plan Administrator shall in its sole discretion determine whether a Participant shall have incurred a Total and Permanent Disability. The Plan Administrator shall rely on the report of a physician acceptable to the Plan Administrator. If the Plan Administrator shall determine that a Participant who has incurred a Total and Permanent Disability has recovered sufficiently to resume active Employment as a police officer or if a Participant refuses to undergo a medical examination as directed by the Plan Administrator (such a medical examination may not be required more frequently than once in any given twelve (12) month period), the payment of Disability Retirement Benefits shall cease.
- 5.05 Cessation of Disability - A Participant who is receiving payment of Disability Retirement Benefits under this Plan must notify the Plan Administrator of any change which may cause a cessation of entitlement to receipt of such benefits hereunder. If a Participant fails to provide immediate Notice to the Plan Administrator of any such change in status and continues to receive payment of benefits hereunder to which the Participant is not entitled, then the Plan may take whatever action is necessary to recover any amount of improperly paid amounts, including legal action or offsetting such amounts against any future payments of retirement or other benefits under the Plan, including the costs of such actions.

ARTICLE VI

DEATH BENEFITS

- 6.01 Death of Participant - Upon the occurrence of the death of a Participant, there shall be benefits payable in accord with the following sections of this Article VI.
- 6.02 Survivor Benefit - If a Participant shall die after commencement of benefit payments or after becoming eligible to receive benefit payments, a survivor benefit shall be paid to the surviving spouse or dependent children of the Participant in accordance with section 6.03, in an amount equal to fifty percent (50%) of the benefit the Participant was receiving or was eligible to receive as of the date of death.
- 6.03 Payment of Survivor Benefits - The Survivor Benefit commences as of the first day of the month coincident with or immediately following the date of death of the Participant. The Survivor Benefit shall be paid monthly to the surviving spouse of the Participant, if any, until the date of death of the surviving spouse. Upon the death of the surviving spouse or if there is no surviving spouse, the Survivor Benefit shall be paid monthly in equal shares to the surviving dependent children of the deceased Participant until attainment of age eighteen (18) or if Attending College, under or attaining the age of twenty-three (23). The shares payable to the surviving dependent children shall be adjusted as each child ceases to be eligible to receive a share of the benefit hereunder.
- 6.04 Death of Participant Prior to Retirement - If a Participant shall die before payment of a benefit has commenced and without eligibility for payment of a Survivor Benefit under

Section 6.02, the Beneficiary shall be eligible to receive a distribution in an amount equal to the Accumulated Contributions of the Participant as of the date of death of the Participant. If the Participant has received Disability Retirement Benefits hereunder, the amount of distribution of Accumulated Contributions shall be reduced by the amount of Disability Retirement Benefits, which have been paid hereunder.

- 6.05 Veterans' Survivor Benefits – Notwithstanding any other provision of the Plan to the contrary, in the case of the death of a Participant who dies on or after January 1, 2007 while performing qualified military service (as defined in Code Section 414(u)), the survivors of the Participant are entitled to any additional benefits under the Plan (if any) had the Participant resumed and then terminated employment on account of death.

ARTICLE VII

TERMINATION OF EMPLOYMENT

- 7.01 Rights of Terminated Employees - A Participant who shall cease to be an Employee except as otherwise hereinbefore provided shall have all interest and rights under this Plan limited to those contained in the following sections of this Article.
- 7.02 Distribution of Accumulated Contributions - A Participant whose Employment with the Employer shall terminate for any reason other than death or Total and Permanent Disability prior to attainment of Normal Retirement Age shall be entitled to receive a distribution of Accumulated Contributions. Upon receipt of such Accumulated Contributions, said Participant and Beneficiary shall not be entitled to any further payments from the Plan.
- 7.03 Deferred Vested Benefit - A Participant who has completed at least twelve (12) years of Aggregate Service and whose Employment with the Employer shall terminate for any reason other than death or Total and Permanent Disability prior to attainment of Normal Retirement Age shall be entitled to elect to receive a Deferred Vested Benefit in lieu of a distribution of Accumulated Contributions under section 7.02. Such a Deferred Vested Benefit shall be in an amount equal to the Participant's Accrued Benefit as of the date Employment terminates and shall commence after application pursuant to section 4.04 as of the first day of the month coincident with or next following the date on which the Participant's Normal Retirement Age would be attained if the Participant continued in Employment until such date. Any Election made under this section 7.03 must be made in a writing acceptable to the Plan Administrator within ninety (90) days of the date which was the last day of Employment. If no Election is made hereunder within the applicable Election period the Participant shall be deemed to have forever waived this Election and shall receive a distribution of Accumulated Contributions pursuant to section 7.02 hereof.
- 7.04 Forfeiture - Rights under this Plan shall be subject to forfeiture pursuant to the act of July 8, 1978 (P.L. 752, No. 140), known as the Public Employee Pension Forfeiture Act.

ARTICLE VIII

ADMINISTRATION

- 8.01 Plan Administrator - The Plan Administrator shall be the Committee or the individual appointed by the Council who shall have the power and authority to do all acts and to execute, acknowledge and deliver all instruments necessary to implement and effectuate the purpose of this Plan. The Plan Administrator may delegate authority to act on its behalf to any persons it deems appropriate. If a Plan Administrator is not appointed, the Council shall be the Plan Administrator.
- 8.02 Police Pension Committee - If the Council shall appoint a Police Pension Committee to administer the affairs of the Plan, the Council shall delegate such authority as it shall deem appropriate to the Committee. The Committee shall consist of not more than five (5) members appointed by the Council. Each member of the Committee shall serve in that capacity until the earliest of resignation, death, removal or otherwise. The Council may remove each member at any time, with or without cause. Each member may resign by delivering written Notice to the Council and other members of the Committee. Vacancies on the Committee shall be filled by the Council.
- 8.03 Authority and Duties of the Plan Administrator - The Plan Administrator shall have full power and authority to do whatever shall, in its judgment, be reasonably necessary for the proper administration and operation of the Plan. The interpretation or construction placed upon any term or provision of the Plan by the Plan Administrator or any action of the Plan Administrator taken in good faith shall, upon the Council's review and approval thereof, be final and conclusive upon all parties hereto, whether Employees, Participants or other persons concerned. By way of specification and not limitation and except as specifically limited hereafter, the Plan Administrator is authorized:
- (a) to construe this Plan;
 - (b) to determine all questions affecting the eligibility of any Employee to participate herein;
 - (c) to compute the amount and source of any benefit payable hereunder to any Participant or Beneficiary;
 - (d) to authorize any and all disbursements;
 - (e) to prescribe any procedure to be followed by any Participant and/or other person in filing any application or Election;
 - (f) to prepare and distribute, in such manner as may be required by law or as the Plan Administrator deems appropriate, information explaining the Plan;
 - (g) to require from the Employer or any Participant such information as shall be necessary for the proper administration of the Plan; and

- (h) to appoint and retain any individual to assist in the administration of the Plan, including such legal, clerical, accounting and actuarial services as may be required by any applicable law or laws.

The Plan Administrator shall have no power to add to, subtract from or modify the terms of the Plan or change or add to any benefits provided by the Plan, or to waive or fail to apply any requirements of eligibility for benefits under the Plan. Further, the Plan Administrator shall have no power to adopt, amend, or terminate the Plan, to select or appoint any trustee or to determine or require any contributions to the Plan, said powers being exclusively reserved to the Council.

8.04 Police Pension Committee Organization - If the Council appoints a Committee, it may organize itself in any manner deemed appropriate to effectuate its purposes hereunder, subject to the following:

- (a) The Committee shall act by a majority of its members at the time in office and such action may be taken either by vote at a meeting or in writing without a meeting.
- (b) The Committee shall, from time to time, appoint a Chairman, a Secretary who may, but need not, be a Committee member and such other agents as it may deem advisable.
- (c) The Committee may, from time to time, authorize any one or more of its members to execute any document or documents including any application, request, certificate, notice, consent, waiver or direction and shall notify the Council, in writing, of the name or names of the member or members so authorized. In the absence of a designation, the Chairman shall be deemed to be so authorized. Any Trustee or other fiduciary appointed hereunder shall accept and be fully protected in relying upon any document executed by the designated member or members (or the Chairman in the absence of a designation) as representing a valid action by the Committee until the Committee shall file with such fiduciary a written revocation of such designation.
- (d) The Committee or its delegate, shall maintain and keep such records as are necessary for the efficient operation of the Plan or as may be required by any applicable law, regulation or ruling and shall provide for the preparation and filing of such forms or reports as may be required to be filed with any governmental agency or department and with the Participants and/or other persons entitled to benefits under the Plan.

8.05 Plan Administrator Costs - The Plan Administrator shall serve without compensation for services unless otherwise agreed by the Council in writing. All reasonable expenses incident to the functioning of the Plan Administrator, including, but not limited to, fees of accountants, counsel, actuaries and other specialists and other costs of administering the Plan, may be paid from the Pension Fund upon approval by the Council to the extent permitted under applicable law and not otherwise paid by the Employer.

8.06 Hold Harmless - No member of the Council, the Plan Administrator, the Actuary, nor any other person involved in the administration of the Plan shall be liable to any person on account of any act or failure to act which is taken or omitted to be taken in good faith in

performing their respective duties under the terms of this Plan. To the extent permitted by law, the Employer shall, and hereby does agree to, indemnify and hold harmless the Plan Administrator and each successor and each of any such individual's heirs, executors and administrators, and the delegates and appointees (other than any person, bank, firm or corporation which is independent of the Employer and which renders services to the Plan for a fee) from any and all liability and expenses, including counsel fees, reasonably incurred in any action, suit or proceeding to which he is or may be made a party by reason of being or having been a member, delegate or appointee of the Plan Administrator, except in matters involving criminal liability, intentional or willful misconduct. If the Employer purchases insurance to cover claims of a nature described above, then there shall be no right of indemnification except to the extent of any deductible amount under the insurance coverage or to the extent of the amount the claims exceed the insured amount.

8.07 Approval of Benefits - The Plan Administrator shall review and approve or deny any application for retirement benefits within thirty (30) days following receipt thereof or within such longer time as may be necessary under the circumstances. Any denial of an application for retirement benefits shall be in writing and shall specify the reason for such denial.

8.08 Appeal Procedure - Any person whose application for retirement benefits is denied, who questions the amount of benefit paid, who believes a benefit should have commenced which did not so commence or who has some other claim arising under the Plan ("Claimant"), shall first seek a resolution of such claim under the procedure hereinafter set forth.

- (a) Any Claimant shall file a Notice of the claim with the Plan Administrator which shall fully describe the nature of the claim. The Plan Administrator shall review the claim and make an initial determination approving or denying the claim.
- (b) If the claim is denied in whole or in part, the Plan Administrator shall, within ninety (90) days (or such other period as may be established by applicable law) from the time the application is received, mail Notice of such denial to the Claimant. Such ninety (90) day period may be extended by the Plan Administrator if special circumstances so require for up to ninety (90) additional days by the Plan Administrator's delivering Notice of such extension to the Claimant within the first ninety (90) day period. Any Notice hereunder shall be written in a manner calculated to be understood by the Claimant and, if a Notice of denial, shall set forth (i) the specific Plan provisions on which the denial is based, (ii) an explanation of additional material or information, if any necessary to perfect such claim and a statement of why such material or information is necessary, and (iii) an explanation of the review procedure.
- (c) Upon receipt of Notice denying the claim, the Claimant shall have the right to request a full and fair review by the Council of the initial determination. Such request for review must be made by Notice to the Council within sixty (60) days of receipt of such Notice of denial. During such review, the Claimant or a duly authorized representative shall have the right to review any pertinent documents and to submit any issues or comments in writing. The Council shall, within sixty (60) days after

receipt of the Notice requesting such review, (or in special circumstances, such as where the Council in its sole discretion holds a hearing, within one hundred and twenty (120) days of receipt of such Notice), submit its decision in writing to the person or persons whose claim has been denied. The decision shall be final, conclusive and binding on all parties, shall be written in a manner calculated to be understood by the Claimant and shall contain specific references to the pertinent Plan provisions on which the decision is based.

- (d) Any Notice of a claim questioning the amount of a benefit in pay status shall be filed within ninety (90) days following the date of the first payment which would be adjusted if the claim is granted unless the Plan Administrator allows a later filing for good cause shown.
- (e) A Claimant who does not submit a Notice of a claim or a Notice requesting a review of a denial of a claim within the time limitations specified above shall be deemed to have waived such claim or right to review.
- (f) Nothing contained herein is intended to abridge any right of a Claimant to appeal any final decision hereunder to a court of competent jurisdiction under 2 Pa C.S.A. section 752. No decision hereunder is a final decision from which such an appeal may be taken until the entire appeal procedure of this section 8.08 of the Plan has been exhausted.

ARTICLE IX

THE PENSION FUND

- 9.01 Operation of the Pension Fund - The Council is hereby authorized to hold and supervise the investment of the assets of the Pension Fund, subject to the provisions of the laws of the Commonwealth and of this Plan and any amendment thereto.

The Pension Fund shall be used to pay benefits as provided in the Plan and, to the extent not paid directly by the Employer, to pay the expenses of administering the Plan pursuant to authorization by the Employer.

The Employer intends the Plan to be permanent and for the exclusive benefit of its Employees. It expects to make the contributions to the Pension Fund required under the Plan. The Employer shall not be liable in any manner for any insufficiency in the Pension Fund; benefits are payable only from the Pension Fund, and only to the extent that there are monies available therein. The Pension Fund will consist of all funds held by the Employer under the Plan, including contributions made pursuant to the provisions hereof and the investments, reinvestments and proceeds thereof. The Pension Fund shall be held, managed, and administered pursuant to the terms of the Plan. Except as otherwise expressly provided in the Plan, the Employer has exclusive authority and discretion to manage and control the Pension Fund assets. The Employer may, however, appoint a trustee, custodian and/or investment manager, at its sole discretion.

9.02 Powers and Duties of Employer - With respect to the Pension Fund, the Employer shall have the following powers, rights and duties, in addition to those vested in it elsewhere in the Plan or by law, unless such duties are delegated.

- (a) To retain in cash so much of the Pension Fund as it deems advisable and to deposit any cash so retained in any bank or similar financial institution (including any such institution which may be appointed to serve as trustee hereunder), without liability for interest thereon.
- (b) To invest and reinvest the principal and income of the Fund and keep said Fund invested, without distinction between principal and income, in securities which are at the time legal investments for fiduciaries under the Pennsylvania Fiduciaries Investment Act, or as the same may be subsequently modified or amended.
- (c) To sell property held in the Fund at either public or private sale for cash or on credit at such times as it may deem appropriate; to exchange such property; to grant options for the purchase or exchange thereof.
- (d) To consent to and participate in any plan of reorganization, consolidation, merger, extension or other similar plan affecting property held in the Fund; to consent to any contract, lease, mortgage, purchase, sale or other action by any corporation pursuant to any such plan.
- (e) To exercise all conversion and subscription rights pertaining to property held in the Fund.
- (f) To exercise all voting rights with respect to property held in the Fund and in connection therewith to grant proxies, discretionary or otherwise.
- (g) To place money at any time in a deposit bank deemed to be appropriate for the purposes of this Plan no matter where situated, including in those cases where a bank has been appointed to serve as trustee hereunder, the savings department of its own commercial bank.
- (h) In addition to the foregoing powers, the Employer shall also have all of the powers, rights, and privileges conferred upon trustees by the Pennsylvania Fiduciaries Investment Act, or as the same may be subsequently modified or amended, and the power to do all acts, take all proceedings and execute all rights and privileges, although not specifically mentioned herein, as the Employer may deem necessary to administer the Pension Fund.
- (i) To maintain and invest the assets of this Plan on a collective and commingled basis with the assets of other pension plans maintained by the Employer, provided that the assets of each respective plan shall be accounted for and administered separately.
- (j) To invest the assets of the Pension Fund in any collective commingled trust fund maintained by a bank or trust company, including any bank or trust company which may act as a trustee hereunder. In this connection, the commingling of the assets of

this Plan with assets of other eligible, participating plans through such a medium is hereby specifically authorized. Any assets of the Plan which may be so added to such collective trusts shall be subject to all of the provisions of the applicable declaration of trust, as amended from time to time, which declaration, if required by its terms or by applicable law, is hereby adopted as part of the Plan, to the extent of the participation in such collective or commingled trust fund by the Plan.

- (k) To make any payment or distribution required or advisable to carry out the provisions of the Plan, provided that if a trustee is appointed by the Employer, such trustee shall make such distribution only at the direction of the Employer.
- (l) To compromise, contest, arbitrate, enforce or abandon claims and demands with respect to the Plan.
- (m) To retain any funds or property subject to any dispute without liability for the payment of interest thereon, and to decline to make payment or delivery thereof until final adjudication is made by a court of competent jurisdiction.
- (n) To pay, and to deduct from and charge against the Pension Fund, any taxes which may be imposed thereon, whether with respect to the income, property or transfer thereof, or upon or with respect to the interest of any person therein, which the Fund is required to pay; to contest, in its discretion, the validity or amount of any tax, assessment, claim or demand which may be levied or made against or in respect of the Pension Fund, the income, property or transfer thereof, or in any matter or thing connected therewith.
- (o) To appoint any persons or firms (including but not limited to, accountants, investment advisors, counsel, actuaries, physicians, appraisers, consultants, professional plan administrators and other specialists), or otherwise act to secure specialized advice or assistance, as it deems necessary or desirable in connection with the management of the Fund; to the extent not prohibited by applicable law, the Employer shall be entitled to rely conclusively upon and shall be fully protected in any action or omission taken by it in good faith reliance upon, the advice or opinion of such persons or firms, provided such persons or firms were prudently chosen by the Employer, taking into account the interests of the Participants and Beneficiaries and with due regard to the ability of the persons or firms to perform their assigned functions.
- (p) To retain the services of one or more persons or firms for the management of (including the power to acquire and dispose of) all or any part of the Fund assets, provided that each of such persons or firms is registered as an investment advisor under the Investment Advisors Act of 1940, is a bank (as defined in that act), or is an Insurance Company qualified to manage, acquire or dispose of pension trust assets under the laws of more than one state; in such event, the Employer shall follow the directions of such investment manager or managers with respect to the acquisition and disposition of Fund assets, but shall not be liable for the acts or omissions of such investment manager or managers, nor shall it be under any obligation to review or otherwise manage any Fund assets which are subject to the management of such investment manager or managers. If the Employer appoints a trustee, the trustee shall

not be permitted to retain such an investment manager except with the express written consent of the Employer.

- 9.03 Common Investments - The Employer shall not be required to make separate investments for individual Participants or to maintain separate investments for each Participant's account, but may invest contributions and any profits or gains therefrom in common investments.
- 9.04 Compensation and Expenses of Appointed Trustee - If a trustee is appointed, the trustee shall be entitled to such reasonable compensation as shall from time to time be agreed upon by the Employer and the trustee, unless such compensation is prohibited by law. Such compensation, and all expenses reasonably incurred by the trustee in carrying out its functions, shall constitute a charge upon the Employer or the Pension Fund, which may be executed at any time after thirty (30) days written Notice to the Employer. The Employer shall be under no obligation to pay such costs and expenses, and, in the event of its failure to do so, the trustee shall be entitled to pay the same, or to be reimbursed for the payment thereof, from the Pension Fund.
- 9.05 Periodic Accounting - If a trustee is appointed, the Pension Fund shall be evaluated annually, or at more frequent intervals, by the trustee and a written accounting rendered as of each fiscal year end of the Fund, and as of the effective date of any removal or resignation of the trustee, and such additional dates as requested by the Employer, showing the condition of the Fund and all receipts, disbursements and other transactions effected by the trustee during the period covered by the accounting, based on fair market values prevailing as of such date.
- 9.06 Value of the Pension Fund - All determinations as to the value of the assets of the Pension Fund, and as to the amount of the liabilities thereof, shall be made by the Employer or its appointed trustee, whose decisions shall be final and conclusive and binding on all parties hereto, the Participants and Beneficiaries and their estates. In making any such determination, the Employer or trustee shall be entitled to seek and rely upon the opinion of or any information furnished by brokers, appraisers and other experts, and shall also be entitled to rely upon reports as to sales and quotations, both on security exchanges and otherwise as contained in newspapers and in financial publications.

ARTICLE X

AMENDMENT AND TERMINATION

- 10.01 Amendment of the Plan - The Employer may amend this Plan at any time or from time to time by an instrument in writing executed in the name of the Employer under its municipal seal by officers duly authorized to execute such instrument and delivered to the Council provided, however:
- (a) that no amendment shall deprive any Participant or any Beneficiary of a deceased Participant of any of the benefits to which he is entitled under this Plan with respect to contributions previously made;

- (b) that no amendment shall provide for the use of funds or assets held under this Plan other than for the benefit of Employees and no funds contributed to this Plan or assets of this Plan shall, except as provided in section 10.05, ever revert to or be used or enjoyed by the Employer; and
- (c) that no amendment to the Plan which provides for a benefit modification shall be made unless the cost estimate described in section 11.03 has been prepared and presented to the Council in accordance with the Act.

10.02 Termination of the Plan - The Employer shall have the power to terminate this Plan in its entirety at any time by an instrument in writing executed in the name of the Employer.

10.03 Automatic Termination of Contributions - Subject to the provisions of the Act governing financially distressed municipalities, the liability of the Employer to make contributions to the Pension Fund shall automatically terminate upon liquidation or dissolution of the Employer, upon its adjudication as a bankrupt or upon the making of a general assignment for the benefit of its creditors.

10.04 Distribution Upon Termination - In the event of the termination of the Plan, all amounts of vested benefits accrued by the affected Participants as of the date of such termination, to the extent funded on such date, shall be nonforfeitable hereunder. In the event of termination of the Plan, the Employer shall direct either (a) that the Plan Administrator continue to hold the vested Accrued Benefits of Participants in the Pension Fund in accordance with the provisions of the Plan (other than those provisions related to forfeitures) without regard to such termination until all funds have been distributed in accordance with the provisions; or (b) that the Plan Administrator immediately distribute to each Participant an amount equal to the vested Accrued Benefit to the date.

If there are insufficient assets in the Pension Fund to provide for all vested Accrued Benefits as of the date of Plan termination, priority shall first be given to the distribution of any amounts attributable to mandatory or voluntary Employee contributions before assets are applied to the distribution of any vested benefits attributable to other sources hereunder.

All other assets attributable to the terminated Plan shall be distributed and disposed of in accordance with the provisions of applicable law and the terms of any instrument adopted by the Employer which effects such termination.

10.05 Residual Assets - If all liabilities to vested Participants and any others entitled to receive a benefit under the terms of the Plan have been satisfied and there remain any residual assets in the Pension Fund, such residual assets remaining shall be returned to the Employer insofar as such return does not contravene any provision of law, and any remaining balance, in excess of Employer contributions, shall be returned to the Commonwealth.

10.06 Exclusive Benefit Rule - In the event of the discontinuance and termination of the Plan as provided herein, the Employer shall dispose of the Pension Fund in accordance with the terms of the Plan and applicable law; at no time prior to the satisfaction of all liabilities

under the Plan shall any part of the corpus or income of the Pension Fund, after deducting any administrative or other expenses properly chargeable to the Pension Fund, be used for or diverted to purposes other than for the exclusive benefit of the Participants in the Plan, their Beneficiaries or their estates.

ARTICLE XI

FUNDING STANDARDS REQUIREMENTS

- 11.01 Actuarial Valuations - The Plan's Actuary shall perform an actuarial valuation at least biennially. Such biennial actuarial valuation report shall be made as of the beginning of each Plan Year occurring in an odd-numbered calendar year, beginning with the year 1985 and shall be prepared and certified by an approved Actuary, as such term is defined in the Act.

The expenses attributable to the preparation of any actuarial valuation report or investigation required by the Act or any other expense which is permissible under the terms of the Act and which are directly associated with administering the Plan shall be an allowable administrative expense payable from the assets of the Pension Fund. Such allowable expenses shall include but not be limited to the following:

- (a) investment costs associated with obtaining authorized investments and investment management fees;
- (b) accounting expenses;
- (c) premiums for insurance coverage on Fund assets;
- (d) reasonable and necessary counsel fees incurred for advice or to defend the Fund; and
- (e) legitimate travel and education expenses for Plan officials; provided, however, that the municipal officials of the Employer, in their fiduciary role, shall monitor the services provided to the Plan to ensure that the expenses are necessary, reasonable and benefit the Plan; and further provided, that the Plan Administrator shall document all such expenses item by item, and where necessary, hour by hour.

- 11.02 Duties of Chief Administrative Officer - Such actuarial reports shall be prepared and filed under the supervision of the Chief Administrative Officer.

The Chief Administrative Officer of the Plan shall determine the financial requirements of the Plan on the basis of the most recent actuarial report and shall determine the Minimum Municipal Obligation of the Employer with respect to funding the Plan for any given Plan Year. The Chief Administrative Officer shall submit the financial requirements of the Plan and the Minimum Municipal Obligation of the Employer to the Council annually and shall certify the accuracy of such calculations and their conformance with the Act.
