

ORDINANCE NO. 2016-6

AN ORDINANCE OF THE BOARD OF SUPERVISORS OF ALAMEDA COUNTY ADDING CHAPTER 6.106 TO THE GENERAL ORDINANCE CODE RELATED TO THE PROHIBITION OF MEDICAL MARIJUANA CULTIVATION AND DELIVERY

WHEREAS, in 1996, the voters of the State of California approved Proposition 215 (codified as California Health and Safety Code section 11362.5 and titled the "Compassionate Use Act of 1996"); and

WHEREAS, the intent of Proposition 215 was to enable persons who are in need of marijuana for medical purposes to be able to obtain and use it without fear of criminal prosecution under limited, specified circumstances; and

WHEREAS, in 2004, Senate Bill 420 was enacted (codified as California Health and Safety Code section 11362.7 *et seq.* and titled the "Medical Marijuana Program Act") to clarify the scope of the Compassionate Use Act of 1996. The Medical Marijuana Program Act allows counties to adopt and enforce rules and regulations consistent with its provisions; and

WHEREAS, in 2011, Assembly Bill 2650 was enacted (codified as California Health and Safety Code section 11362.768). This law affirms that counties can adopt ordinances that restrict the location and establishment of medical marijuana collectives and cooperatives; and

WHEREAS, in 2015, Assembly Bills 243 and 266 and Senate Bill 643 were enacted (codified as California Business and Professions Code section 19300 *et seq.* and titled the "Medical Marijuana Regulation and Safety Act"). These bills also amended provisions of the Medical Marijuana Program Act related to the cultivation of medical marijuana; and

WHEREAS, pursuant to California Business and Professions Code section 19315(a), nothing in the Medical Marijuana Regulation and Safety Act shall be interpreted to supersede or limit existing local authority for law enforcement activity, enforcement of local zoning requirements or local ordinances, or enforcement of local permit or licensing requirements; and

WHEREAS, this Ordinance is enacted, consistent with the Compassionate Use Act of 1996, the Medical Marijuana Program Act, and the Medical Marijuana Regulation and Safety Act to protect the public health, safety, and welfare of Alameda County residents in relation to the cultivation and delivery of medical marijuana; and

WHEREAS, in *Maral v. City of Live Oak* (2013) 221 Cal.App.4th 975, the court held that neither the Compassionate Use Act nor the Medical Marijuana Program Act preempt a local jurisdiction's police power to prohibit the cultivation of marijuana within its jurisdiction; and

WHEREAS, in *City of Riverside v. Inland Empire Patients Health and Wellness Center, Inc.* (2013) 56 Cal.4th 729, the California Supreme Court concluded that nothing in the Compassionate Use Act nor the Medical Marijuana Program Act preclude a local jurisdiction from regulating or prohibiting facilities that distribute medical marijuana; and

WHEREAS, although banned in Alameda County under the principles of permissive zoning, it is believed that the cultivation of medical marijuana has been occurring in the unincorporated area of Alameda County; and

WHEREAS, marijuana cultivation has been shown to involve avoidance of environmental laws and regulations and resulted in the pollution of waters and navigable waterways in the State of California. Unregulated marijuana cultivation can be harmful to the welfare of the surrounding community and its residents and constitute a public nuisance; and

WHEREAS, absent appropriate regulation, marijuana cultivation and delivery in the unincorporated area of Alameda County poses a potential threat to the public peace, health, and safety; and

WHEREAS, the County of Alameda intends to proceed with a study and public meetings to consider a revised ordinance that most effectively regulates and licenses all facets of medical marijuana activities; and

WHEREAS, the County of Alameda has a compelling interest in protecting the public health, safety, and welfare of its citizens, residents, visitors and businesses, in preserving the peace and quiet of the neighborhoods within the unincorporated areas of the County by prohibiting the cultivation and delivery of medical marijuana until a comprehensive study is conducted and regulations adopted; and

WHEREAS, this Ordinance is reflective of existing law and intended to clarify the County of Alameda's position with regard to the cultivation and delivery of medical marijuana; and

WHEREAS, nothing in this Ordinance shall be deemed to conflict with federal law as contained in the Controlled Substances Act, 21 U.S.C. § 841 or to license any activity that is prohibited under said Act except as mandated by State law; and

WHEREAS, nothing in this Ordinance shall be construed to: (1) allow persons to engage in conduct that endangers others or causes a public nuisance; (2) allow the use of marijuana for non-medical purposes; or (3) allow any activity relating to the cultivation, distribution, or consumption of marijuana that is illegal under state or federal law;

NOW, THEREFORE, BE IT HEREBY ORDAINED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF ALAMEDA THAT:

SECTION 1. Chapter 6.106 of the Alameda County Ordinance Code is added to the General Ordinance Code to read as follows:
