

**ORDINANCE NO. 1733**

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SAN CLEMENTE ADDING CHAPTER 10.55 (UNLAWFUL POSSESSION OF A CATALYTIC CONVERTER PROHIBITED) OF TITLE 10 (VEHICLES AND TRAFFIC) TO THE SAN CLEMENTE MUNICIPAL CODE ESTABLISHING REGULATIONS PROHIBITING THE UNLAWFUL POSSESSION OF CATALYTIC CONVERTERS**

**WHEREAS**, citizens nationwide have experienced rising rates of catalytic converter thefts, numbering approximately 26,000 through May 2021; and

**WHEREAS**, citizens statewide have experienced rising rates of catalytic converter thefts, numbering approximately 8,000 through May 2021; and

**WHEREAS**, citizens countywide have experienced rising rates of catalytic converter thefts, numbering approximately 2,000 this year to date; and

**WHEREAS**, the citizens of San Clemente have experienced catalytic converter thefts from automobiles over the past several years; and

**WHEREAS**, there is currently no City, State, or Federal legislation applicable within the City of San Clemente to define and punish catalytic converter thefts absent an identifiable victim; and

**WHEREAS**, there is currently no City, State, or Federal legislation applicable within the City of San Clemente requiring individuals to provide proof to law enforcement as to how they obtained catalytic converters, thus limiting law enforcement's ability to (1) protect the public by preventing catalytic converter thefts and (2) seize suspected stolen catalytic converters when no victim is present; and

**WHEREAS**, catalytic converter thefts are on the rise because individuals are incentivized to commit catalytic converter thefts for multiple reasons including, but not limited to: (1) the ease and undetectable nature of committing such thefts, potentially in a matter of seconds and through the use of common tools such as a reciprocating saw; (2) the ability to recycle catalytic converters at scrap metal yards for high dollar returns ranging from \$200 to \$1,200 per catalytic converter; and (3) loopholes in legislation protecting criminals from prosecution unless a victim can be identified; and

**WHEREAS**, preventing these crimes at present is nearly impossible due to the ease and speed with which catalytic converter thefts can be committed and the difficulty of tracing a particular catalytic converter back to its prior owner (the victim), because catalytic converters typically have no identifying markers; and

**WHEREAS**, the citizens of San Clemente and the Orange County Sheriff's Department are in need of legislation criminalizing mere possession of catalytic converters absent proof of ownership or lawful possession, for multiple reasons including, but not limited to: (1) achieving deterrence by establishing zero-tolerance for catalytic

converter thefts; (2) establishing sanctions for possessing stolen catalytic converters; (3) preventing criminals from profiting from the sale and recycling of stolen catalytic converters; (4) providing indirect justice to the victims of catalytic converter theft cases that have gone or will go unsolved for the reasons discussed above; and (5) minimizing the fiscal and personnel impact on the City of San Clemente and the Orange County Sheriff's Department by reducing the time invested in deterring and investigating catalytic converter thefts; and

**WHEREAS**, individuals who are in possession of stolen catalytic converters recycle them for substantial profit while victims of these thefts suffer tremendous consequences in the form of costly repairs, inconvenience, and feelings of a lack of safety in the community; and

**WHEREAS**, this Ordinance is necessary to provide the City of San Clemente and the Orange County Sheriff's Department clear legal authority to better protect the public and deter this criminal activity.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SAN CLEMENTE DOES ORDAIN AS FOLLOWS:**

**SECTION 1. Incorporation of Recitals.** The recitals above are each incorporated by reference and adopted as findings by the City Council as if fully set forth herein.

**SECTION 2. CEQA.** The City Council finds that the proposed amendments to the San Clemente Municipal Code are exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to Title 14 of the California Code of Regulations, Section 15061(b)(3) because it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.
