2 FOR WASHINGTON COUNTY, OREGON

3 ORDINANCE 887
4 **ADOPTED**

An Ordinance Amending Chapter 8.32
of the Washington County Code to Update
Code as Recommended by EMS Alliance

5 The Board of County Commissioners for Washington County, Oregon, ordains that:

6 SECTION 1.

7 A. Ambulance and emergency medical services is a vital public service,
8 comprised of members who are ready to provide lifesaving care to those in need 24 hours a
9 day, seven days a week, and to which access can dramatically improve the survival and
10 recovery rate of those who experience sudden illness or injury;

11 B. As changes in ambulance and emergency services occur locally, regionally,
12 statewide, and nationally, there exists a need to keep current the definitions and content in
13 Chapter 8.32 of the Washington County Code relating to Emergency Medical Services and
14 Transportation; and

15 C. The purpose of this Ordinance is to amend the Washington County Code to
16 update WCC Chapter 8.32 based on recommendations from the EMS Alliance.

17 SECTION 2.

18 The Board finds and takes public notice that it is in receipt of all matters and
19 information necessary to consider this Ordinance in an adequate manner, and that this
20 Ordinance complies with the requirements set forth in the Washington County Charter and
21 the Washington County Code.
22

1 SECTION 3.

2 A. The following exhibit, which is marked as Exhibit 1 (19 pages), is hereby
3 adopted and incorporated herein as amendments to Chapter 8.32 of the Washington County
4 Code. New material is underlined; deleted material is strikethrough.

5 B. Nothing herein is intended, nor shall it be construed, as amending, replacing
6 or otherwise being in conflict with any other ordinances of Washington County unless
7 expressly so stated.

8 SECTION 4.

9 If any section, clause, phrase, or word of this Ordinance, including the exhibit, shall
10 for any reason be held invalid, unconstitutional, or unenforceable by a body of competent
11 jurisdiction, the remainder of this Ordinance or its application and all portions not so
12 stricken shall not be affected thereby and shall remain in full force and effect.

13 SECTION 5.

14 The Office of County Counsel is authorized to codify this Ordinance and to make any
15 technical changes, not affecting its substance, as are reasonably necessary to accomplish
16 codification.

Chapter 8.32 - EMERGENCY MEDICAL AND TRANSPORTATION SERVICES

Sections:

8.32.010 - Title

This chapter shall be known as the "Washington County Emergency Medical and Transportation Services Ordinance" and may so be pleaded.

(Ord. 693 (Exhibit A (part)), 2008; Ord. 554 (Exhibit A (part)), 2000)

8.32.020 - Purpose and intent

- A. The board of ~~county~~ commissioners for Washington County has the ~~finds that the county is authorized authority~~ to regulate medical transportation, to include: emergency ambulance, nonemergency ~~ambulance~~ambulance, interfacility ambulance, and wheelchair car transport services provided by vehicles for hire pursuant to the county charter and ORS 221.485 to 221.495.
- B. The board of ~~county~~ commissioners determines that protection of the health, safety and welfare of persons needing emergency ambulance, nonemergency ambulance, inter-facility ambulance, and wheelchair car transport services who cannot be transported by regular motor vehicle due to health conditions but must be transported in a special vehicle capable of transporting the person in an ambulance, wheelchair or semi reclining wheelchair, requires that such services be regulated so as to promote efficient, effective and safe transportation.
- C. The board of ~~county~~ commissioners finds that it is required by state law to develop a plan relating to the need and coordination of ambulance services, for the efficient and effective provision of such services and is authorized to provide regulations more stringent than those adopted by Oregon Health Authority Emergency Medical Services and Trauma Systems Program.
- D. The board of ~~county~~ commissioners finds that the franchising of emergency ambulance services is the most appropriate regulatory mechanism for coordinating and promoting the efficient and effective provision of emergency ambulance services.
- E. The county's regulatory authority granted by the Oregon Statute is limited to the regulation of all types of ambulance and wheelchair car service excluding those mentioned under "Exemptions."
- F. The county desires to have a uniform, countywide system for the delivery of emergency medical services and shall work to achieve such a system by promoting mutual policies and procedures that can be effectively utilized by all system participants.
- G. The county desires an EMS system that takes an active role in emergency medical prevention and the development of a comprehensive approach to emergency public health care, assessment, and cost containment.
