#### **Sec. 5.28.030. Permit prerequisite to issuance of occupation tax certificate.**

**Sec. 5.28.050. Regulation as to employees and managers.**

(a) No person shall be employed by a pawnshop in any capacity until such person is found to be in compliance with the qualifications as described in this section and has paid a fee which shall be established by the board of commissioners. Upon complying with the requirements of this chapter, a permit card authorizing such person to be a pawnshop employee will be issued. Each employee and/or manager will be required to renew the permit card annually. The permit card and occupation tax certificate will expire annually, on the date established generally for expiration of the occupation tax certificate. All persons having any interest in the proposed business including each owner, employee, manager, and pawnbroker shall while on the pawnshop premises, have in their possession and available for inspection such permit card. It shall be the duty of the pawnbroker to insure compliance with the provisions of this section.

(b) The following qualifications shall apply to all employees and managers:

(1) No permit shall be issued until such time as a signed application has been filed with the county police department, chief of the county police or his designee and a search of the criminal record of the person completed. Such application shall include the applicant's name, fingerprints, social security number, date of birth, and prior arrest record; though an applicant's arrest record shall be used for investigative purposes only and shall not give rise to a presumption or inference of guilt. Applicant must also provide positive identification (only official government issued pictured identification accepted, e.g. U.S. driver's license, passport, military card, or U. S. state identification card).

(2) The chief of the county police or his designee shall conduct a complete and exhaustive search relative to any police record of the applicant.

(3) In the event the applicant is qualified for employment in a pawnshop under this section and there is no record of a violation of this chapter, the chief of the county police or his designee shall issue a permit to the applicant, by mail, stating that the person is eligible for employment. If it is found that the person is not qualified for a permit and therefore ineligible for employment in a pawnshop, the chief of the county police or his designee shall notify the person in writing, that they are not eligible for employment, the cause of such denial and their right to appeal.

- (4) No person who has been convicted or pled guilty or entered a plea of nolo contendere to any crime involving moral turpitude, illegal gambling, or any felonies, or any crime involving theft or fraudulent practices shall be issued a permit for the five years preceding the date of application. For purposes of this chapter, a conviction or plea of guilt or nolo contendere entered under the Georgia First Offender Act, O.C.G.A. § 42-8-60 et seq., shall be ignored. Provided, however, that any such offense shall not be ignored where the defendant violated any term of probation imposed by the court granting first offender status or committed another crime and the sentencing court entered an adjudication of guilt as to the crime for which the defendant had previously been sentenced as a first offender.
- (5) No person shall be issued a permit if it is determined that the person falsified, concealed, or misrepresented any material fact by any device, trick, or scheme while making application to the police department for a pawnshop permit under this section.
- (6) All permits issued through administrative error can be terminated and seized by the chief of the county police or his designee or the licensing and revenue manager or his designee.
- (7) Replacement permits will be issued within thirty (30) days of original date, upon paying one-half of the fee charged for pawnshop permits. After thirty (30) days of original application date, a new application and fee must be submitted.
- (8) All permits issued hereunder remain the property of the county police department, and shall be produced for inspection upon the demand of any officer or designee of the county police department or employee of the licensing and revenue department.
- (9) No pawnshop owner shall allow any employee or manager to work on the premises unless the employee or manager has in their possession a current valid county permit. For new employees, a receipt issued by the county police permit unit may be used for a maximum of thirty (30) days from the date of issue. Pawnshop owners are required by this chapter to inspect and verify that each employee or manager has in their possession a valid current pawnshop permit. Issuance of this fee receipt shall allow the applicant to work in the position applied for only until such time as the required criminal history background investigation is completed. The temporary privilege conferred by issuance of this fee receipt shall expire immediately upon completion of such background investigation. If the background investigation indicates that the applicant does not meet the requirements for issuance of a pawnshop permit, the applicant may appeal the denial of the permit as provided in this chapter. However, issuance of this fee receipt and the temporary privilege granted thereby shall not be construed as conferring any right or privilege to the applicant to continue working in the position for which the permit sought during the pendency of the appeal from the denial of a permit under this chapter.
- (10) It shall be the duty of all persons holding a pawnshop occupation tax certificate to file with the chief of the county police or his designee, the name of the establishment, the occupation tax certificate number and a list of all employees, including their date of birth, social security number, home address and home telephone numbers twice annually; during the month of June and again during the month of December.
- (11) If it is determined that any person issued a pawnshop permit has falsified, concealed, or misrepresented any material fact by any device, trick, or scheme in the application for the pawnshop permit such permit shall be revoked or canceled.
- (12) County employees who are directly involved in the issuance of pawnshop permits

or in the regulation of pawnshops shall not be eligible for a permit.

**Sec. 5.28.060. Denial, suspension or revocation of permit.**

A permit may be denied, suspended or revoked by the chief of the county police or his designee where the pawnbroker or employee furnishes fraudulent or untruthful information in the application for a permit or fails to meet all qualifications set forth under the provisions of this chapter.

(Gwinnett Co. Gwinnett Co. Ord. of 6-18-02(2), § 1)

**Sec. 5.28.070. Hearings for denial, suspension or revocation of permit.**

No permit shall be denied, suspended or revoked without the opportunity for a hearing as hereinafter provided.

(1) The chief of the county police or his designee shall provide written notice to the applicant of his or her order to deny, suspend or revoke the permit. Such written notification shall set forth in reasonable detail the reasons for such action and shall notify the applicant of the right to appeal under the provisions of this chapter. Any applicant who is aggrieved or adversely affected by a final action of the chief of the county police may have a review thereof by appeal to the alcohol license and permit appeal board established pursuant to the county alcoholic beverage ordinance.

Such appeal shall be by written petition, filed in the office of the licensing and revenue manager within fifteen (15) days after the final order or action of the chief of the county police and in order to defray administrative costs, must be accompanied by a filing fee of \$100.00. The alcohol license and permit appeal board may, at the request of the appellant, refund the filing fee by a majority vote.

(2) A hearing shall be conducted on each appeal within thirty (30) days of the date of filing with the licensing and revenue manager unless a continuance of such date is agreed to by the appellant and the licensing and revenue manager. The appellant at such hearing shall have the right to be represented by an attorney, at the expense of the appellant, and to present evidence and cross-examine witnesses. Should the appellant desire an official transcript of the appeal proceedings, then such request must be made at least three days prior to such hearing. The appellant shall have the burden of proof on any such appeal. Before hearing an appeal, each member of the alcohol license and permit appeal board shall sign an affidavit to be part of the record that he or she is not related to or personal friends with any owner of the establishment in question in the appeal being considered and that he or she has no financial interest in the outcome of the appeal. Should any member be unable to sign such an affidavit, that member shall not serve on that appeal and the case shall be heard by the remaining members of the alcohol license and permit appeal board.

(3) The findings of the alcohol license and permit appeal board shall be forwarded to the licensing and revenue manager fifteen (15) days after the conclusion of the hearing,

and it shall be the duty of the licensing and revenue manager to notify the appellant of the action of the alcohol license and permit appeal board.

(4) The findings of the alcohol license and permit appeal board shall not be set aside unless found to be

- a. Contrary to law or ordinances, or
- b. Unsupported by substantial evidence on the records as a whole, or
- c. Unreasonable.

(5) The findings of the alcohol license and permit appeal board shall be final unless appealed within thirty (30) days of the date of such finding by certiorari to the superior court of the county.

In the public interest and as set forth herein, all pawnbrokers shall maintain records

documenting all pawnshop transactions.

(1) All pawnbrokers shall maintain records documenting accurate descriptions of all property pledged, traded, pawned, exchanged, or sold to the pawnbroker. Such description shall include, to the extent possible, the manufacturer, model, serial number, style, material, kind, color, design, number of stones if jewelry, and all other identifying names, marks, and numbers. The pawnbroker shall assign a pawnshop transaction number documenting each transaction, and ensure each item received is tagged with the pawnshop transaction number.

(2) The tag bearing the pawnshop transaction number must remain attached to the item until the property is disposed of by sale, trade, or other lawful means. This paragraph does not apply to the purchase of property from licensed wholesale or distributor businesses for the purpose of retail sales; however the pawnbroker shall be required to maintain all purchasing records for property exempted from this paragraph.

(3) The pawnbroker shall require all persons pledging, trading, pawning, exchanging, or selling property to show proper identification prior to conducting a pawnshop transaction. Proper identification is defined as a government issued photo identification card such as a driver's license, military identification card, state identification card, or passport.

(4) The pawnbroker shall also document the name, address, telephone number, race, sex, height, weight, drivers license number, date of birth, and social security number of the person pledging, trading, pawning, exchanging, or selling the property, along with the date and time of transaction. This documentation shall be made at the time of the transaction.

The photograph shall clearly show a frontal view of the subject's face along with the pawnbroker's ticket transaction number and a photograph of the item being pledged, traded, pawned, exchanged, or sold. Digital images shall be labeled and stored in such a manner that they are safe from corruption, readily identifiable, and readily available for review.

(6) The pawnbroker shall obtain from each person pledging, trading, pawning, exchanging, or selling any property, the fingerprint of the right hand index finger, unless such finger is missing, in which event the print of the next finger in existence on the right hand shall be obtained with a notation as to the exact finger printed. The fingerprint shall be imprinted onto the pawn transaction form in the designated area along with the signature of the person pawning, trading, pledging, exchanging, or selling the property. The fingerprint must be clear and legible. In the event that more than one pawn transaction form is required, a fingerprint and signature should be obtained for each form. Fingerprints and the information required herein shall be obtained each time such person pledges, trades, pawns, exchanges, or sells any property.

(7) Items of property that appear to be new, unused, and in their original packaging cannot be accepted by the pawnbroker unless the customer can supply a copy of the original sales receipt, or other proof of purchase from the place of purchase, to the pawnbroker who shall retain the receipt or proof of purchase on file.

(8) The pawnbroker shall store the above records, digital images, and fingerprints for a period of four years and make them available to law enforcement personnel upon request.

(9) Every pawnshop shall enter each transaction as it occurs into the electronic automated reporting system via the internet to the administrator of the electronic automated reporting system. The administrator of the electronic automated reporting system will electronically transmit all transactions to the county police department. (Gwinnett Co. Ord. of 9-19-95; Gwinnett Co. (1) Daily reports shall list all property pledged, traded, pawned, exchanged, or sold, the pawn transaction number for each transaction, and a description of the property including, to the extent possible, the manufacturer, model, serial number, style, material, kind, color, design, number of stones if jewelry, and any other identifying names, marks, and numbers. The daily report shall also list the name, address, race, sex, height, weight, driver's license number, date of birth, and social security number of the person pledging, trading, pawning, exchanging, or selling the property along with the date and time of the transaction.

(2) Every pawnshop shall enter each transaction as it occurs into the electronic automated reporting system via the internet to the administrator of the electronic automated reporting system. The administrator of the electronic automated reporting system will electronically transmit all transactions to the county police department.

(3) In the event that the electronic automated reporting system becomes temporarily or permanently disabled, pawnshops and pawnbrokers will be notified as soon as possible by the county police department. In this event, the pawnbrokers will be required to make records of transactions in paper form as prescribed by the county police department. Such paper forms must include all information as enumerated in Section 5.28.110. Pawnbrokers shall be responsible for maintaining an adequate inventory of these forms.

(4) The chief of the county police or his designee shall select and designate the required automated reporting system and required equipment needed. There will be a fee assessed to the pawnshop for each reported transaction. Said fee may be assessed against the persons pledging, trading, pawning, exchanging, or selling property. The assessed fee shall not exceed 50% of the actual cost charged by the police department or the third party administrator. This fee will be invoiced to the pawnbroker and collected by the chief of the county police or his designee, which may be a third party administrator of the automated reporting system.

(b) All property pledged, traded, pawned, exchanged, or purchased shall be held and maintained by the pawnbroker on the premises of the pawnshop or, if impracticable, at such other location as may have been previously approved in writing by the chief of the county police or his designee. The chief of the county police shall not approve any off-premises storage facilities located outside Gwinnett County.

(c) The county police department has the authority to place property that is the subject of police investigation on "police hold." In that event, the county police department shall notify the pawnbroker of the need for a police hold and identify all property subject to the police hold.
