

ORDINANCE NO. 0717-24-ORD

AN ORDINANCE OF THE LEWISVILLE CITY COUNCIL AMENDING ARTICLE II, “DEFINITIONS”, ARTICLE VII, “USES, PARKING REQUIREMENTS, SUPPLEMENTAL USE REGULATIONS AND CERTAIN DISTANCE REQUIREMENTS”, AND ARTICLE VIII, CHAPTER 3, “LANDSCAPING STANDARDS” OF VOLUME II OF THE LEWISVILLE CITY CODE, KNOWN AS THE UNIFIED DEVELOPMENT CODE, BY ADDING NEW DEFINED TERMS TO SECTION II.2.1 AS REQUIRED BY THE REGULATIONS SET FORTH HEREIN, BY ADDING A NEW SECTION VII.3.24, ESTABLISHING SUPPLEMENTAL USE REGULATIONS FOR MANUFACTURING, LIGHT INTENSITY; MANUFACTURING, MEDIUM INTENSITY; MANUFACTURING, HEAVY INTENSITY; AND WAREHOUSE DISTRIBUTION FACILITY USES, AMENDING EXHIBIT VII.2.3-4, NON-RESIDENTIAL ZONING DISTRICTS, TO ADD REFERENCES TO THE NEW SUPPLEMENTAL USE REGULATIONS, AND AMENDING EXHIBIT VIII.3.3-3, APPROVED UNDERSTORY TREES, TO IDENTIFY CERTAIN UNDERSTORY TREES LISTED THEREIN AS EVERGREEN; PROVIDING FOR A REPEALER, SEVERABILITY, A PENALTY, AND AN EFFECTIVE DATE; AND DECLARING AN EMERGENCY.

WHEREAS, the City Council of the City of Lewisville has determined that for the health, welfare and safety of its citizens certain amendments to Article II, “Definitions”, Article VII, “Uses, Parking Requirements, Supplemental Use Regulations and Certain Distance Requirements”, and Article VIII, Chapter 3, “Landscaping Standards”, of Volume II of the Lewisville City Code, known as the Unified Development Code, are necessary; and

WHEREAS, the City of Lewisville’s (the “City’s”) zoning districts were, until late 2022, cumulative, allowing any use allowed in a lower-intensity zoning district to locate in a higher-intensity zoning district; and

WHEREAS, due to these cumulative zoning regulations, a large percentage of the area of the City where warehouse distribution center and light, medium, and heavy manufacturing uses are allowed by right have developed with lower-intensity uses such as office, retail, and service uses; and

WHEREAS, the City is nearing buildout with very few undeveloped properties remaining for the development of new warehouse distribution and manufacturing uses, leading to the heightened potential of redevelopment of developed properties for use as warehouse distribution center and light, medium, and heavy manufacturing uses in zoning districts where such uses are allowed by right, but which were originally developed as lower-intensity uses such as office, retail and service use; and

WHEREAS, warehouse distribution center and light, medium, and heavy manufacturing uses introduce impacts to the surrounding properties such as increased noise, truck traffic and fumes and odors; and

WHEREAS, these impacts can negatively affect and, without mitigation, would not be compatible with lower-intensity adjacent uses, which, due to the City's historic development under cumulative zoning regulations, are often the majority of uses even in areas where higher-intensity uses like warehouse distribution center and light, medium, and heavy manufacturing uses are allowed by right; and

WHEREAS, to mitigate the impacts outlined above, additional supplemental use regulations are needed for warehouse distribution center and light, medium, and heavy

manufacturing uses to lessen negative impacts on and ensure compatibility with adjacent developed properties.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LEWISVILLE, TEXAS:

SECTION 1. Article II, “Definitions”, is hereby amended to add definitions for “Access Aisle”, “Truck Court”, and Truck Dock” to read as follows:

Access Aisle – A paved surface to allow vehicular movement through a property, between properties, or to parking spaces.

Truck Court – the area next to or near a truck dock which includes loading spaces, truck maneuvering zones, and truck and/or trailer parking areas.

Truck Dock – an area that may or may not be raised, containing an opening to a building and that is used for loading and unloading of trucks.

SECTION 2. Article VII, “Uses, Parking Requirements, Supplemental Use Regulations and Certain Distance Regulations,” Chapter 3 “Supplemental Use Regulations,” is hereby amended by adding a new Section VII.3.24, “Manufacturing, Light Intensity; Manufacturing, Medium Intensity; Manufacturing, High Intensity; and Warehouse Distribution Facility” to read as follows:

Section 24. Manufacturing, Light Intensity; Manufacturing, Medium Intensity; Manufacturing, Heavy Intensity; and Warehouse Distribution Facility

Manufacturing, Light Intensity; Manufacturing, Medium Intensity; Manufacturing, Heavy Intensity; and Warehouse Distribution Facility uses are subject to the following standards. These standards may be modified or waived by an alternative standard.

A. In addition to the landscape strip requirements in Sections VIII.3.4.A and VIII.3.4.B and in lieu of the screening requirements in Section VIII.5.3, a 50-foot landscape strip is required along all public or private streets and any property line adjoining all uses listed in Section VII.2.4 except for the following uses:

1. Any use in the Manufacturing and Industrial Uses category as set forth in Section VII.2.4
2. Any use in the Temporary Uses category as set forth in Section VII.2.4
3. Any use in the Transportation, Utility and Communications Uses category as set forth in Section VII.2.4
4. Any use in the Warehouse and Storage Uses category as set forth in Section VII.2.4
5. Landfill Operation and Accessory Use
6. Automobile Salvage
7. Junk Yard
8. Motor Freight Terminal
9. Truck Parking Lot

In cases where a landscape strip is required along a public or private street under this Subsection A and the regulations set forth in this Section 24 conflict with the requirements of Sections VIII.3.4.A and VIII.3.4.B, the regulations set forth herein shall prevail.

B. The turf and groundcover requirements of Section VIII.3.4.A.4 shall apply to the landscape strip. The landscape strip shall contain the following elements:

1. A landscape berm which must be a minimum of five feet above the average grade of the nearest back-of-curb/pavement edge elevation or property line elevation, whichever is applicable, and the finished floor elevation of the building;
2. A row of evergreen understory trees a minimum of 6 feet tall at planting spaced 20 feet on center;
3. A double row of shade trees staggered and spaced 30 feet on center; and
4. An eight (8)-foot-tall masonry screening wall along the property line adjacent to any property occupied by any use in the Residential Uses category as set forth in

Section VII.2.4 or designated as a residential zoning district listed in Exhibit VII.2.3-2, Residential Zoning Districts.

- C. Truck docks shall not face any: public or private street; open space, including a public park and playground; or property occupied by any use in the Residential Uses category as set forth in Section VII.2.4 or designated as a residential zoning district listed in Exhibit VII.2.3-2, Residential Zoning Districts.
- D. The open sides of truck courts shall be screened from any street and adjoining properties with a minimum 12-foot-tall masonry or concrete tilt wall screening wall, which may have openings to accommodate required fire lanes and access aisles. The open sides of truck courts adjoining the uses listed in Subsections A.1 through A.9 above are exempt from this screening standard.
- E. These supplemental use regulations shall be in addition to the requirements of Section VI.8.1, IH-35E Corridor Overlay District. In cases where these supplemental use regulations conflict with the requirements of Section VI.8.1, IH-35E Corridor Overlay District, these supplemental use regulations shall prevail.

SECTION 3. Article VII, “Uses, Parking Requirements, Supplemental Use Regulations and Certain Distance Regulations,” Chapter 2 “Allowed Uses by District,” Subsection 4.C. is hereby amended by amending Exhibit VII.2-3-3, “Non-Residential Zoning Districts” by deleting the rows for “Manufacturing, Light Intensity”, “Manufacturing, Medium Intensity”, “Manufacturing, Heavy Intensity”, and “Warehouse Distribution Facility” entries and replacing them with the following:
