

CITY OF SALINE  
WASHTENAW COUNTY, MICHIGAN

ORDINANCE NO. 830

**AN ORDINANCE TO ADD A PARCEL-SPECIFIC MOBILE FOOD VENDING PERMIT TO EXPEDITE MOBILE FOOD VENDOR APPLICATIONS ON CERTAIN PRE-APPROVED PROPERTIES AND TO LIMIT THE NUMBER OF TRUCKS ON A PARCEL BASED ON AVAILABLE PARKING SPACES BY ADDING SUBSECTION 22-62(d), AMENDING 22-64 AND ADDING SUBSECTION 22-66(12) TO ARTICLE IV "MOBILE FOOD VENDING" OF THE CITY OF SALINE CODE OF ORDINANCES.**

The City of Saline ordains:

Section 1. Addition. The City of Saline Code of Ordinances is hereby amended by adding Subsection 22-62(d) as follows:

"(d) A property owner may obtain a parcel-specific permit to allow mobile food vending units to operate on their property and the city clerk may thereafter implement a modified fee for mobile food vending unit permits, as established by resolution of the city council, for mobile food vending units operating exclusively on those permitted parcels. Nothing in this subsection shall act to waive the permit requirement for mobile food vendors operating in the city, rather the intent is to modify the fee to reflect that a pre-approved parcel lessens the administrative burden for each mobile food vending unit application review."

Section 2. Amendment. The City of Saline Code of Ordinances is hereby amended by replacing Section 22-64 in its entirety to read:

**"Sec. 22-64. Application for permit.**

Any mobile food vendor desiring to engage in mobile food vending in the city shall and any property owner desiring to allow mobile food vending units on their specific parcel may submit a completed application to the city clerk for a permit under this chapter. The application must include all required information and all required documentation, such as insurance, as required by the city. There shall be at least two categories of permits: permits valid for a period of one calendar year and permits limited to a single event.

The applicant shall truthfully state, in full, all information requested on the application for a permit issued by the city clerk's office. Additionally, the applicant shall provide all documentation, such as proof of insurance, as required by this chapter or by resolution of the city council. The application for a permit shall be accompanied by a fee as defined in this chapter."

Section 3. Addition. The City of Saline Code of Ordinances is hereby amended by adding Subsection 22-66(12) in its entirety to read:

"(12) No mobile food vending unit shall operate nor be allowed to operate on a property in excess of 2 mobile food vending units per a parcel's first 100 parking spaces and 1 additional unit allowed per each additional 100 parking spaces thereafter with no proration thereof. By way of example and for the purposes of clarity, a parcel with 405 parking spaces could maintain 5 mobile food vending units."

Section 4. Effective Date. This ordinance shall become effective 10 days after its publication.
